That sounds like a plan I am sure we will be able to work it out. I also will know on Monday if it has resolved or not. Like I said defense counsel would like to plea but you never know. I will keep you updated. Thanks

First, I am available on the 21st if necessary. The Federal ADA is going to keep me informed on Monday as to what time he thinks he will need me (whether it be the 20th or 21st). He stated that he may be able to push me back (or up?) a little if there is a huge conflict with you – I should know something more definite Monday. I'm also scheduled to meet with him tomorrow to go over the case, so I will let him know how important your case is. I'm guessing that he will be able to narrow down when he expects to need me to a half day or so. I'll make sure I let you know where things stand tomorrow after I speak with him. As for which summons I received first, I've know about he federal case for a while but didn't learn of the exact trial date until this morning.

Hi Sonja,
Two things

1. the defendant is planning to bring his case forward to Monday the 19th to plea.
2. but the second thing is if that doesn't happen for whatever reason this case needs to be tried on the 20th.

We are flying in our confidential informant from CA to testify on this day. It cannot be rescheduled. So I am a little concerned. Let me talk to my supervisor and keep our fingers crossed for a plea. Would you be able to testify on the 21st perhaps I can continue your portion to the next day if need be. Did you get the summons from Federal Court before ours? I will also look into substituting Rebecca for you but I am not sure if I will be able to do that. I have to get back to my trial at 2 so I will email more later.

I'm sorry to do this to you such last minute, but I have received a subpoena for a Federal Court case scheduled on July 20th, the same day as the [REDACTED] case. The Federal ADA thinks that he will need me to testify sometime between 9am and 1pm on the 20th, so it does not appear that I will be able to be in Pittsfield. If anything changes in the federal case, I will let you know ASAP. Also, I don't know if it would be possible, but I know that Rebecca Pontes is also scheduled to testify in the Pierce case, so I could always give her a copy of my notes/data if she could possibly testify in my place. Sorry.

Sonja,

I made the subpoena for 7/20-22 to cover you in case the date of your actual testimony changed. My best guess is that you will testify on Tuesday the 20th between 9 and 1. I can't be more exact because of the uncertainty of the speed of the trial. We pick the jury on Friday 7/16 and begin evidence on Monday, 7/19.

I'll know better on Monday how the trial is progressing.

ADA O'Regan-

I am just confirming that I received your subpoena for the above indicated case scheduled for July 20, 2010. I have noticed that my attendance will be required from July 20th until July 22nd. Is this case starting on the 20th, or is it starting on the 19th? I'm asking so I will know what to tell the 2 ADA's I have other cases with that day (one district case in Springfield and another district case in Pittsfield). If the trial is not starting until the 20th, would it be possible for me to check in with district court in Springfield in the morning and then head over to the Federal Courthouse afterward, or do you need me there on the 20th at 9:00am? Thank you.
